Critical Thinking

閱讀內容介紹

To Kill a Mockingbird

- 是一本由 Harper Lee 創作的小說
- 談論 Racism and Racial Discrimination
- 對我個人影響深遠的一篇小說

今天要讀內容

- 背景：主角（Scout）在學校上課時老師提到希特勒，以及德國和美國的差別。說美國是民主社會，並且極其負面的形容希特勒。
- 於是主角回家詢問他的父親（Atticus）有關希特勒的事以及他對這件事的看法。

“But it’s okay to hate Hitler?”
“It is not,” he said. “It’s not okay to hate anybody.”
“Atticus,” I said, “there’s somethin’ I don’t understand. Miss Gates said it was awful, Hitler doin’ like he does, she got real red in the face about it—”
“I should think she would.”
“But—”
“Yes?”
“Nothing, sir.” I went away, not sure that I could explain to Atticus what was on my mind, not sure that I could clarify what was only a feeling.

Dialogue

- 這一次截取的範圍叫做對話，是一種Characterization的方式，可以看出一個角色的立場。
- 接下來我們要透過Comprehension 來理解作者想要展示Atticus這個角色的立場與特色。

“But it’s okay to hate Hitler?”

“It is not,” he said. “It’s not okay to hate anybody.”

“Atticus,” I said, “there’s somethin’ I don’t understand. Miss Gates said it was awful, Hitler doin’ like he does, she got real red in the face about it—”

“I should think she would.”

“But—”

“Yes?”

“Nothing, sir.” I went away, not sure that I could explain to Atticus what was on my mind, not sure that I could clarify what was only a feeling.

Dialogue

1. 展示Atticus驚人的正確價值觀
 2. 展示Atticus的包容與理解力
- 我們可以發現，這個角色雖然擁有自己辨別對錯的能力，卻能夠理解為何社會會產生恨意（hate）。

“But it’s okay to hate Hitler?”
“It is not,” he said. “It’s not okay to hate anybody.”

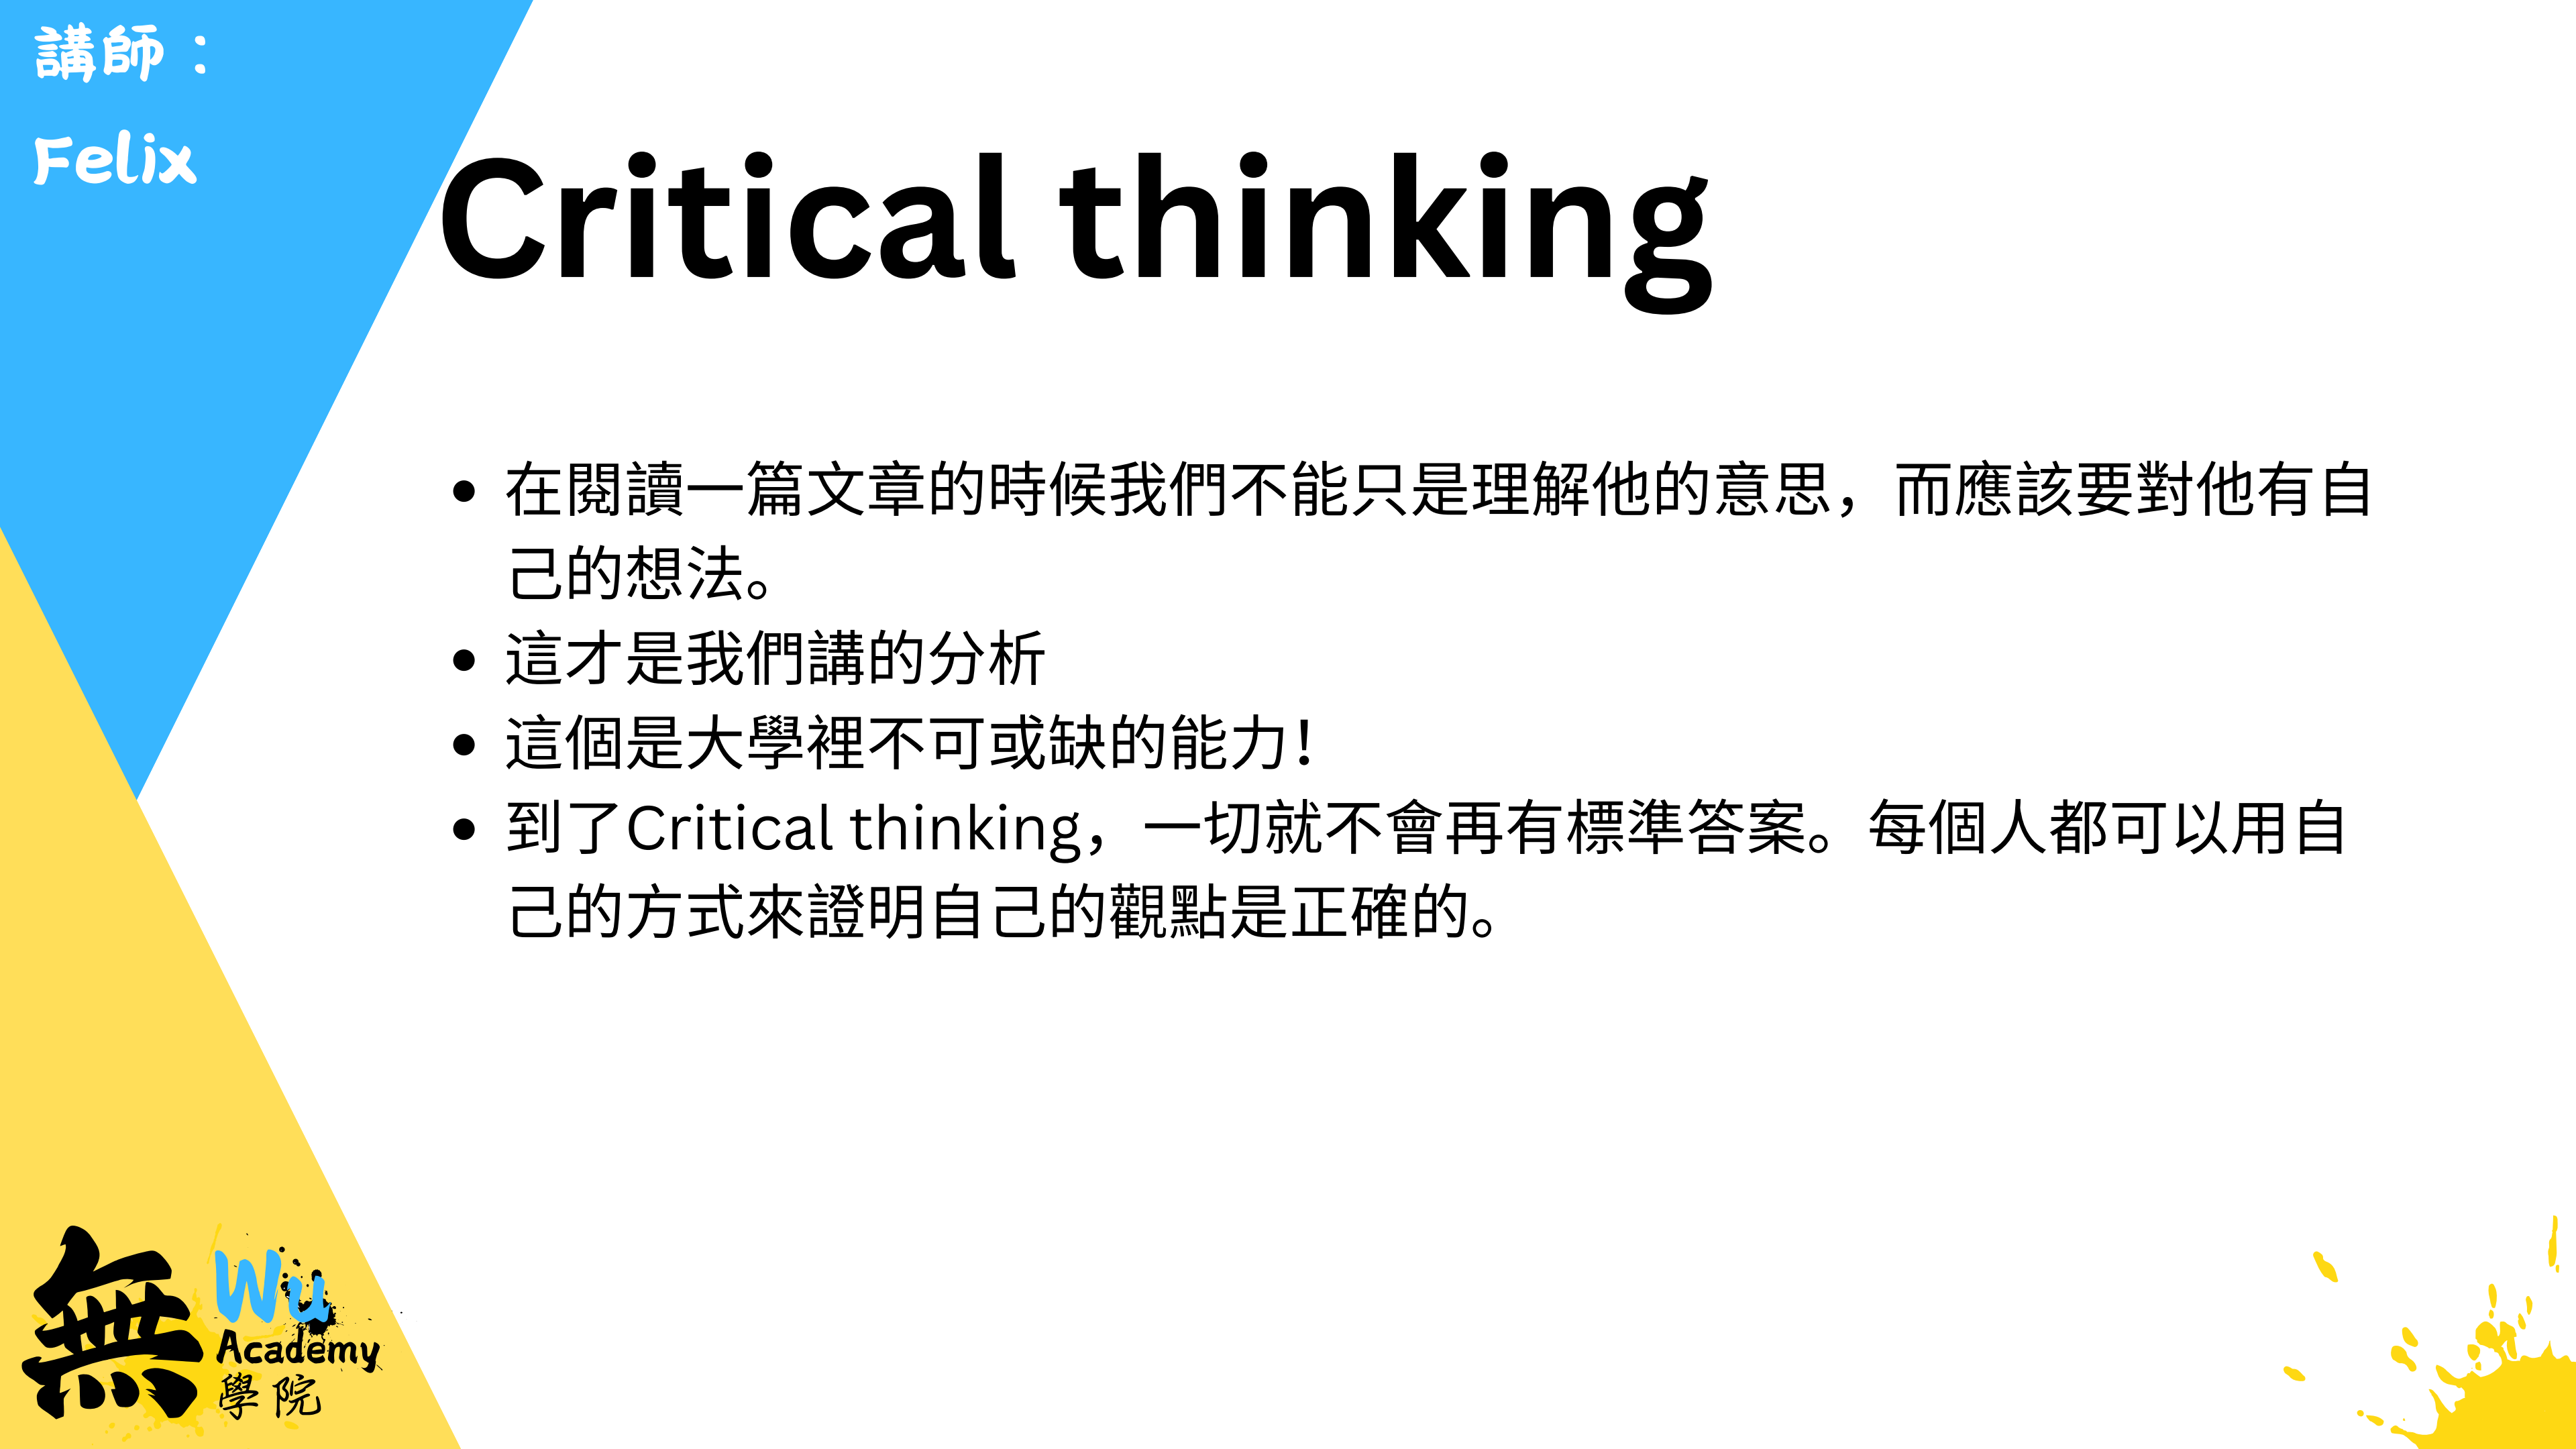

“Atticus,” I said, “there’s somethin’ I don’t understand. Miss Gates said it was awful, Hitler doin’ like he does, she got real red in the face about it—”

“I should think she would.”

“But—”

“Yes?”

“Nothing, sir.” I went away, not sure that I could explain to Atticus what was on my mind, not sure that I could clarify what was only a feeling.

Critical thinking

- 在閱讀一篇文章的時候我們不能只是理解他的意思，而應該要對他有自己的想法。
- 這才是我們講的分析
- 這個是大學裡不可或缺的能力！
- 到了Critical thinking，一切就不會再有標準答案。每個人都可以用自己的方式來證明自己的觀點是正確的。

問題：

各位覺得作者想要透過這樣的一個角色對種族歧視這個議題表達什麼樣的觀點呢？

- 補充：Atticus在作品中是一位位黑人辯護的白人律師，也因為這個選擇被很多人討厭。但他沒有選擇恨任何人。

“But it’s okay to hate Hitler?”
“It is not,” he said. “It’s not okay to hate anybody.”

“Atticus,” I said, “there’s somethin’ I don’t understand. Miss Gates said it was awful, Hitler doin’ like he does, she got real red in the face about it—”

“I should think she would.”

“But—”

“Yes?”

“Nothing, sir.” I went away, not sure that I could explain to Atticus what was on my mind, not sure that I could clarify what was only a feeling.

問題：

各位覺得作者想要透過這樣的一個角色對種族歧視這個議題表達什麼樣的觀點呢？

我的看法：作者想要透過這個角色展示在面對社會的恨意的時候，一個“完美的”心態應該要是什麼樣子：在知道真相的同時又不會因為他人的無知而產生憎恨，而是有耐心的推動這個社會的變革。

“But it’s okay to hate Hitler?”
“It is not,” he said. “It’s not okay to hate anybody.”

“Atticus,” I said, “there’s somethin’ I don’t understand. Miss Gates said it was awful, Hitler doin’ like he does, she got real red in the face about it—”

“I should think she would.”

“But—”

“Yes?”

“Nothing, sir.” I went away, not sure that I could explain to Atticus what was on my mind, not sure that I could clarify what was only a feeling.

其他看法（如我的英文老師上課時說的）：
展示Atticus在人性上的弱點，因為他不懂得保護自己而過度相信他人。
我不同意，因為在整部作品中Atticus並不屬於「不知道希特勒是誰」或者「不了解種族歧視所根深蒂固的恨意」的角色。反之，他是知道一切也知道自己的行為會造成風險的。而在知道的基礎上去做出這些行為，就是他自己的選擇，即便這成為了他的弱點也是他自己的選擇。我認為這才是作者想要展示的：也許這樣在社會中完美的角色會遭遇很多的不公與困難，但他們才是真正推動社會改變的重要人物。

“But it’s okay to hate Hitler?”
“It is not,” he said. “It’s not okay to hate anybody.”
“Atticus,” I said, “there’s somethin’ I don’t understand. Miss Gates said it was awful, Hitler doin’ like he does, she got real red in the face about it—”
“I should think she would.”
“But—”
“Yes?”
“Nothing, sir.” I went away, not sure that I could explain to Atticus what was on my mind, not sure that I could clarify what was only a feeling.

一問：

"你認同Harper Lee 所創造的這一個
「完美的角色」嗎？為什麼？"

中英文回答皆可，不過要有具體原因連結
個人看法。
